CHECKLIST OF IMPORTANT THINGS TO DO
PRIOR TO REGISTRATION

☐  TRANSCRIPT

Our accrediting association requires us to have, prior to registration, a final transcript for every incoming student showing baccalaureate degree and the date it was awarded. The Office of Admissions has previously informed you that students who graduated prior to Spring 2010 should submit transcripts from their undergraduate institution by May 1, and students who graduated in Spring 2010 should submit their transcripts by July 26. Please note that LSDAS transcripts are not acceptable substitutes for an official transcript. If you have not asked your undergraduate institution to send your final transcript to our Office of Admissions, please do so immediately. If your degree will not be conferred by July 26, 2010, please notify the Office of Admissions in writing immediately. If we do not have your final transcript, we will not be able to register you.

☐  TUITION

Fall 2010 tuition is due in full to the Office of Admissions no later than Monday, July 26 in order to retain your seat in the entering class. Tuition statements will be mailed the second week of July. Tuition for full-time students is $22,522.50 per semester, less your deposit(s). Tuition for part-time students is $17,930 for the Fall 2010 semester ($1630 per credit), less your deposit(s). Entering part-time students carry 24 credits in their first year.

☐  ORIENTATION INFORMATION WEB PAGE

Beginning in late July, students can access Georgetown Law’s Orientation Information web page which will be devoted to addressing the questions of incoming JD students. The web address is www.law.georgetown.edu/orientation, and there will be a link from the Admitted Students Site you may have already visited. This web site will include up-to-date Orientation information, first class assignments (as the first day of classes approaches), and other useful information.

☐  IMMUNIZATIONS

Please refer to the Admitted Students Site for information regarding immunizations and health services.

☐  TECHNOLOGY SERVICES

Begin your Technology Orientation at (http://www.law.georgetown.edu/ist/students/orientation.htm). This site includes information on: your NetID and passwords; Georgetown Law e-mail account; MyAccess, a secure portal to personal academic services at Georgetown; Georgetown Law restricted websites; public computers and printers; training and support; and technology policies. Additional technology information, such as purchasing a personal computer, including a second battery; hardware and software recommendations, security, and contact information is also available online at http://www.law.georgetown.edu/ist/ISTInformationforStudents.htm. Please remember that if you would like to take your exams on a computer, you will need to use your own laptop.
